The longer you wear them the stronger they get.
Sometimes I think I should wash them,
But something inside me says No, no, not yet.
Not yet, not yet, not yet...

Sing as a two-part round, one half singing the "verse" and the other half "not yet, not yet, etc.," ad nauseam....

Chorus:

Boom, boom, ain't it great to be crazy
Boom, boom, ain't it great to be crazy
Giddy and foolish all day long
Boom, boom, ain't it great to be crazy?

A horse and a flea and three blind mice

Sittin' on a curbstone shooting dice
The horse he slipped and fell on the flea
"Whoops," said the flea, "there's a horse on me!"

Chorus

Way down South where bananas grow
An ant stepped on an elephant's toe
The elephant cried with tears in his eyes
"Pick on someone your own size!"

Chorus

Sonny, Sonny, he sells socks
A dollar a pair and ten cents a box

The longer you wear them the shorter they get
And if you put them into water they don't get wet.

There lived a penguin and his name was Joe
He got so tired of black and white
He wore pink pants to the dance last night!

And everywhere he went, he gave his WOOOO!

Chorus

He was a (clap) Desperado
From Cripple Creek
Way out in Colorado
And he horsed around just like a big tornado
And everywhere he went, he gave his WOOOO!

He went to Coney Island just to see the pretty sights
He saw the hoochie – koochies and the girls all dressed in
tights
He got SOOOO excited that he shot out all the lights
And everywhere he went he gave his WOOOO!

Chorus

There was a big policeman just a-walking on his beat.
He saw the Desperado just a-strolling down the street.
He took the desperado by the head and by the seat
And who-o-osh, he couldn't give his WOOOO!

Safely you will hide."

It rained and poured for
Forty day-sies, day-sies
Nearly drove those animals
Crazy, crazy

Chorus

The sun came out and
Dried up the landy, landy
Everything was fine
And dandy, dandy

Chorus

The animals they came out
They came out by
Three-sies, three-sies
Must have been those
Birds and bee-sies, bee-sies

Chorus

This is the end of
The end of our story, story
Everything was,
Honky dorey, dorey

TEAPOT

Start the beat of "we will rock you" and keep it going for the entire song.

Teach the group that during the chorus, when you sing "I'm a little teapot (to the tune of "we will, we will rock you") that they will yell back "TEAPOT!" as loud as they can.

Each verse is any nursery rhyme of your choosing, to the tune of "we will rock you," and is a repeat after me.

I'm a little teapot, short and stout,
Here is my handle, here is my spout.
When I get all steamed up, hear me shout,
Tip me over and pour me out.

Chorus:

Singing I'm a little teapot! (TEAPOT!) teapot! (TEAPOT!)
I'm a little teapot! (TEAPOT!) teapot! (TEAPOT!)

TITANIC

Oh, they built the ship Titanic to sail the ocean blue, and they thought they had a ship that the water wouldn't go through, but the good lord raised his hand, said "The ship would never land". It was sad when the great ship went down, down, down.

Refrain:

It was sad, so sad,
It was sad, too bad,
It was sad when the great ship went down to the bottom of the sea
Uncles and aunts little children lost their parents, It was sad when the great ship went down, down, down.

Oh the ship had just left England;
They were not far from the shore,
when the rich refused to associate with the poor,
so they sent them down below where they'd be the first to go.
It was sad when the great ship went down, down, down.

Refrain

Lady Astor turned around just to see her husband drown, as the ship Titanic made a gurgling sound. So she wrapped herself in mink, as the ship began to sink. It was sad when the great ship when down, down, down.

Refrain

Now the moral of the story is very plain to see, you should wear a life preserver when you go out to sea. The Titanic never made it and never more shall be. It was sad when the great ship went down, down, down.

Kerplunk, it sunk to the bottom of the sea(hold sea for length of normal refrain)

THROW IT OUT THE WINDOW

Old Mother Hubbard went to the cupboard to get her poor doggy a bone.

But when she got there the cupboard was bare,
So she threw it out the window

The window, the window, the second story window.

High low, low high

and threw it out the window.

Jack and Jill went up the hill to fetch a pail of water.
Jack fell down and broke his crown
and threw it out the window....

Little Miss Muffet sat on her tuffet eating her curds and whey.
Along came a spider and sat down beside her
and she threw it out the window....

Little Jack Horner sat in a corner eating his Christmas pie.
He stuck in his thumb and pulled out a plum
And threw it out the window....

Mary had a little lamb whose fleece was white as snow,
and every where that Mary went,
She threw it out the window....

Worms

Nobody loves me, everybody hates me
I guess I'll go eat worms
Big fat juicy ones, itty bitty squishy ones see how they wiggle
and squirm
Oohh, bite their heads off, suck their juice out, throw their
skins away
Nobody knows how a man can thrive on worms
three times a day

Raisin Bran

Required:
5 or more scouts.
big dark-colored garbage bag for each.
Preparation:
all but one scout puts a garbage bag on like a coat -
with a hole cut out for his head.
Script:
All scouts but one are Raisins and they come on
stage and line up. They sing the Raisin Bran song.
"We are the raisins that make the Raisin Bran so
great." over and over and over ...

Last scout walks onto stage with his fingertips
together over his head so his arms make a big circle -
he is the spoon.

Raisins: Spoon! Aaaaaah! (and they all run around in
a panic, but not too fast)

The 'spoon' catches one raisin and takes him
offstage.

Raisins line up, settle down, and start their song
again.

Spoon reappears and takes another raisin.

Repeat until only one raisin is left. He stands there
sadly and sings:
"Oh, I wish I were an Oscar Meyer weiner ..."

For added fun, have the 'spoon' enter the stage the
2nd or 3rd time with only one arm pointing straight
up - he's a knife. :-)
One Raisin yells - "Spoon!!!"
Another yells - "Hey, it's just a knife! I think he's after
the jelly." and they all settle down while the knife
walks across.

Can do the same thing with both arms pointing up
with elbows bent to the side slightly - a fork. :-)
One Raisin yells - "Spoon!!!"
Another yells - "Relax, that's a fork! The eggs are in

trouble now!" and they all settle down while the fork
walks across.

Traveler from Afar

Five "characters" played by two people who
rotate around each other's backs. Make sure to
have five props or costume items to represent
each role. *Adlibbing encouraged.*

Traveler- "I've come from afar."
Guard- "Afar... I've never heard of it..."
Traveler- "No, I've traveled from very far away."
Guard- "Oh, what do you want?"
Traveler- "I've come for the princess's hand!"
Guard- "Her *hand*?!? That's barbaric!"
Traveler- "No, no, no. I've come to marry her!"
Guard- "Oh, I'll have to ask the queen. Hold on."

Traveler runs behind Guard and becomes
Queen-conversation is repeated:
Guard- "There's a man at the door from afar."
Queen- "Afar... I've never heard of it..."
Guard- "No, he's traveled from very far away."
Queen- "Oh, well what does he want?"
Guard- "He's come for the princess's hand."
Queen- "Her *hand*?!? That's barbaric!"
Guard- "No, no, no. He's come to marry her!"
Queen- "Oh, I'll have to ask the king. Hold on."

Conversation repeats between King and Queen,
when King goes to ask princess.

King- "There's a man at the door from afar."
Princess- "Afar... I've never heard of it..."
King- "No, he's traveled from very far away."
Princess- "Oh, well what does he want?"
King- "He's come for your hand."
Princess- "My *hand*?!? That's barbaric!"
King- "No, no, no. He's come to marry you!"
Princess- "Oh... nah."

Answer gets passed along back through all
characters, and the traveler walks away
dejected. Get crowd to start cheering for
"faster, faster!" then keep it going, speeding up
after each round.

Western Gun Fighter

Script:
One scout is a quickdraw mechanical cowboy. He
stands motionless at center stage, facing stage left,
looking straight ahead. He always talks in a
mechanical, monotone, but very western voice.

Cowboy: (to no one in particular) Howdy partner, wanna draw?

("Kid" walks to center stage)

Cowboy: Howdy partner, wanna draw?

Kid : Hey, what's this? Wow, a mechanical cowboy - cool!

(pretends to read instructions)

Let's see, 'Deposit 25 cents and see if you can outdraw Black Bart, the fastest gun in the West.'
'WARNING: slow draws may experience mild discomfort.'

Kid : All right! I bet I can beat this old heap of scrapmetal.

(takes quarter from his pocket and deposits it in mechanical cowboy's shirt pocket.)

Cowboy: So, you want to be a real Western gun fighter, do you? First you need your hat, (hands him a hat) then you need your pistol (located at the gun fighters feet). Take ten paces, turn and Draw!
(person bends down to pick up holster, but its stuck under the cowboy's foot)

Kid : Hey, it's stuck!

Cowboy: 1... 2... 3... Draw! BANG!

(he shoots the bending over kid in the back who falls down and then jumps up, holding his backside.)

Kid : OUCH! What a rip-off! I'll get him this time.

(kid bends down and pries the holster from under the cowboy's foot and puts it on. He then inserts another quarter.)

Cowboy: So, you want to be a real Western gun fighter, do you? First you need your hat, (hands him a hat) then you need your pistol (located at the gun fighters feet). Take ten paces, turn and Draw!!

Kid : Ha! I'm way ahead of you!

(He puts his hand on the gun, ready to draw.)

Cowboy: 1... 2... 3... Draw!

(On 'Draw', the scout tries to pull the gun out of the holster, but it is stuck. He frantically works on it.)

Cowboy: BANG!

(kid flies backward and then gets up rubbing his chest.)

kid : DANG! That hurts! Well, now you're in for it!

(kid works on the gun until he gets it out of the holster. He stands at the side of the mechanical cowboy, inserts a quarter, and holds his gun right up to cowboy's chest in anticipation.)

Cowboy: So, you want to be a real Western gun fighter, do you? First you need your hat, (hands him a hat) then you need your pistol (located at the gun fighters feet). Take ten paces, turn and Draw!!

kid : Yeah, that's right! Here we go!

Cowboy: 1... 2... 3... 3... 3... 3...

(kid moves around to the front and hits cowboy on the shoulder to jar him back into operation.)

Cowboy: Draw! BANG!

(kid flies backward and then gets up rubbing his chest.)

Kid : Man, that's gonna leave a mark!

(kid stands behind the mechanical cowboy, inserts a quarter, and holds his gun right up to cowboy's head.)

Cowboy: So, you want to be a real Western gun fighter, do you? First you need your hat, (hands him a hat) then you need your pistol (located at the gun fighters feet). Take ten paces, turn and Draw!!

Kid : Boy, this is gonna be great!

Cowboy: 1... 2...

(He runs out of power on '2', and bends his head down and stops.)

Kid : What!? No way! I don't believe it. What a waste of quarters.

(He puts his gun in the holster, takes it off, and places it at the feet of the cowboy. As he turns and walks away, the cowboy comes back to life.)

Cowboy: ... 3 Draw! BANG!

(Kid jumps and yelps, holding his backside.)
